

GLEAMNS HEAD START-EARLY HEAD START

Vision and Hearing Screenings

Classroom Supply Pick-Up

Vision and hearing screenings will be conducted for Head Start, Early Head Start, and Home-Based children who are between the ages of 6 months – 4 years.

The screenings will take place at your child's Center according to the date and time indicated below. When arriving for your child's screening, we ask parents to please remain in their vehicle. Your child will be escorted to the screening area and returned once the vision and hearing screenings are completed. These measures are being taken to ensure the health and safety of all persons.

All Head Start and Early Head Start children are required to have an annual vision and hearing screening.
